JOIN OUR JOURNEY

Founded in Istanbul in 2021 by Gülistan and Efe Urgunlu, Atelier Terra Madre was born from a vision to reintroduce handcrafted artistry into the rhythm of everyday life. The brand creates refined, contemporary objects, each thoughtfully designed and meticulously crafted to embody both beauty and purpose.

With an unwavering commitment to quality and detail, every piece is accompanied by a unique certificate of authenticity, celebrating its singular character. From creation to assembly, Atelier Terra Madre invites you to experience the art of living with intention and to join us on a journey where craftsmanship meets timeless design.

UNIQUE FORMS & NATURAL MATERIALS

Once the required number of products is reached, the master molds are destroyed, ensuring each piece remains unique and limited in quantity.

Each piece is crafted from heritage materials and transformed with reverence into timeless treasures, produced in rare and limited quantities to preserve their purity and distinction.
